

# **BARUT HEMERA SUSTAINABILITY REPORT 2022**

**We owe every breath we take to the nature.**

We, as Barut Hotels, are aware of it, and keep going to raise the level of awareness. We take justified pride of being an important stakeholder of the sustainable and environmentally-friendly tourism approach. With We Care All, the environmental policy of the Barut Hotels, we provide new contributions to sensitive hotel management concept with each passing day.

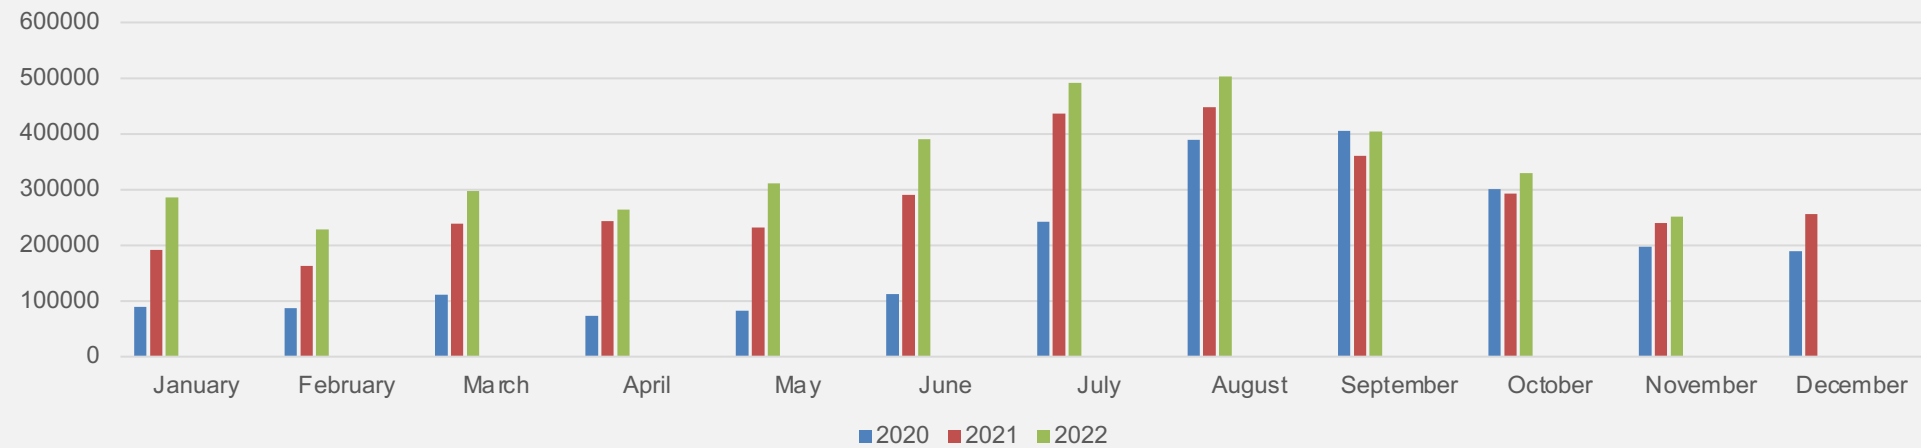

### **What is We Care All?**

We Care All is the environmental awareness project developed by Barut Hotels in 2019. Aiming to minimize use of environmentally-hazardous materials as much as possible, our Group pays utmost attention to use all natural resources more efficiently and carefully.
